Online Member Survey

Post a survey on your website for members to fill out. The survey only allows each member account to vote one time and even shows a graph of final survey results.

Survey Instructions

Please tell us how you feel about these issues. This survey will only be used as a general guide to make a final decision by your board.

Each member is only allowed to submit the survey once, so please fill it in completely and check your answers before you submit it. Thank you.

Homeowner Survey

1. IN REGARD TO AIR CONDITIONERS: We are considering these types: 1- 2- 3-

- 1) I am for allowing air conditioners. I would go along with the board on any mutual decision they come up with as far as type of air conditioners.
- 2) I am only for the type of air conditioner that would be indoors without any exhaust vents.
- 3) I am only for allowing those who already have air conditioners to keep them.
- 4) I am completely against air conditioners. People who have installed them should have to take them out.
- 5) Whatever the board decides is fine with me.
- 6) I don't have enough information to make a decision.

2. IN REGARDS TO THE PROPOSED FENCE. WOULD YOU SAY:

- 1) I was given ample information to make a decision and I am for installing a fence.
- 2) I was given ample information and I am against installing a fence
- 3) I was not given ample information.
- 4) Fence? What fence?

3. POOL HOURS: Currently our pool hours are 9 a.m. to 9 p.m. Last year we debated a proposal to extend the pool hours by 1/2 hour. Management may have received a verbal complaint although it was not documented. The decision was made to stay with 9 p.m. How do you feel?

- 1) I feel very strongly that it should stay at 9 p.m.
- 2) 9 p.m. is fine, but I would be okay if it was extended to 9:30 also.
- 3) I feel strongly that it should be extended until 9:30 p.m.
